Presents:  
“Cutting Edge Therapies for the Interventional Pain  
Physician”

Exhibitor Prospectus  
June 11-13, 2010  
Atlantis, Bahamas

## Dear Colleague:

We invite you to participate in the upcoming “Cutting Edge Therapies for the Interventional Pain Physician” conference presented by Dr. Timothy Deer and the West Virginia Society of Interventional Pain Physicians (WVSIPP). This will be a dynamic educational opportunity which will attract pain practitioners from across the United States. The meeting will take place at the Atlantis Resort in Nassau, Bahamas, June 11-13, 2010.

This event will unite approximately 150 pain practitioners from across the United States including: engineers, researchers, anesthesiologists, neurosurgeons, neurologists, pain medicine specialists and venture capitalists. Our goal is to present cutting edge data and information to practitioners of all levels and provide a forum to interact and discuss evidence based medicine to improve the quality of care and access to care for patients. There will be many opportunities for you to network with colleagues from across the United States and attend educational sessions to expand your knowledge on current available treatment options for patients and practitioners.

## Expected Attendance:

“Cutting Edge Therapies for the Interventional Pain Physician” is expected to bring clinicians, scientists and industry partners from all over the United States. We anticipate in excess of 150 clinical providers to attend including: physicians, mid-level practitioners, nurses and pharmacists.

***AMA Category 1, CME Units are available through the WVSIPP. Units are commensurate with hours attended.***

## Our Educational Program:

The goal of “Cutting Edge Therapies for the Interventional Pain Physician” is to provide a unique and dynamic program on the most up to date, cutting edge information on therapies available. Each faculty member is a recognized leader in the field. Information and data presented will be the most recent available with a focus on improving patient care, access to therapies and overall outcomes.

Format will include individual lectures and panel discussions.

Lecture topics will include: Advanced Pain Management Techniques, Brain Neuromodulation and Mechanisms of Neurostimulation, SCS for PVD, Spine Surgery for Discogenic Pain, Kyphoplasty vs. Vertebroplasty, Minimally Invasive Spine Surgery, SCS for Angina, SCS for Abdominal and Epigastric Pain, Cooled Radiofrequency, Peripheral Nerve Stimulation, Pelvic Pain, Head and Neck SCS, Emerging Technology in Intrathecal Therapy, CRPS, Motor Cortex

## Housing Information

### **Hotel Reservations:**

The WVSIPP has contracted and guaranteed a room block with the Atlantis Resort in Nassau, Bahamas. Hotel reservations are guaranteed on a first come, first served basis. Rooms have been blocked at a discounted rate in the Coral and Beach Towers adjacent to the Conference Center. The WVSIPP does NOT contract with a travel agent for hotel accommodations. For this reason, all reservations will be coordinated by the WVSIPP and booked directly with the hotel. Reservations MUST be made with WVSIPP to qualify for the room rate discount.

Upgraded rooms in other towers are available upon request and pricing will vary depending upon request. Shuttle service is provided to all conference attendees at no charge from other towers to the conference center.
